U.S. DEPARTMENT OF JUSTICE

TO WHOM IT MAY CONCERN:

RE: MICROSOFT SETTLEMENT

I think that "THE MICROSOFT CASE" should be settled immediately!!!  
Why punish a Company or Corporation for being successful?  
If You punish One; why not punish Wal-Mart; the biggest monopoly going at  
this time!!!

Microsoft has brought technology to the World!!!

Please settle and get on with Our Economy..

RESPECTFULLY,

Frank Crawley
